

Turks & Caicos Islands, British West Indies

“Beautiful by Nature” is Turks and Caicos Islands’ official slogan. It couldn’t be more true. The islands’ inhabitants have created a place where you feel at ease immediately upon landing and remain so through out your entire trip. The diving is spectacular and shopping for local crafts an afternoon of fun.

The Turks and Caicos are actually a string of seven islands, one of which is uninhabited (East Caicos), and one (West Caicos) is currently uninhabited, but is being developed into a Ritz Resort. The diving is accessible from any of the islands via boat.

Check with our travel department for detailed information regarding the accommodations and flights. We are offering Open Water, Advanced Open Water, Specialty Courses, and Inspiration/Evolution Training
