

## Welcome to the first edition of “Aquatude!” Aqua Immersion’s Monthly Newsletter...

Are you a warm water diver? Are you sad because winter’s coming and there will be no dive related things to do? Well, check out what’s happening at the Dive Center to keep you in tune with the dive life!!! Remember, it’s not just a sport it’s a lifestyle!

There are many classes for you to enroll in that do not require dives but allows you to continue your dive education while it’s cold outside and will also help keep you “tuned-in” to what’s happening in the dive community while furthering your education and dive safety, a good diver is always learning! Take one of these courses now...

Nitrox, Emergency First Response/Medic First Aid or DAN Oxygen Provider, Gas Blender and the classroom/pool portions of any course requiring dives then either take a referral and do the open water dives in the warm waters off Florida or even the Caribbean or wait until it warms up and do your open water dives in the quarries of Ohio!

Maybe you’re a “hard-core” diver who doesn’t care what the weather’s like outside, you just want to DIVE!!! Well, we have what you need, too! There are many courses available to you during the cold weather months...

Dry Suit Diver, Ice Diver, Decompression Diver, Advanced Nitrox Diver, Trimix and many more.

## Friday Night Movies in the “Surface Interval” Lounge!

Stop by the Dive Center on Friday nights and relax in our comfy Surface Interval Lounge while watching a new or classic diving related movie or bring your own videos in to share on the big screen! The fun and popcorn flows at 7:30!

## Football and Diving?

Saturday’s and Sunday’s are game days whether we’re diving or not! Might as well catch a few games when you’re not diving! Our Surface Interval Lounge is reserved for the games on the weekends so stop on by and catch a game or at least don’t worry about missing one if you do happen to come by!

## Meet our Friendly, knowledgeable Staff and tour our facility...

Our family owned and operated store is going to great lengths to bring in the best of the best! We have a large staff of diving professionals here to assist you in any way we can, from introducing a friend to the world of SCUBA through our FREE Discover Scuba Sessions to helping you move in the right direction to becoming a dive professional yourself. We can also fill your tanks, fix your gear and provide you with some of the best lines of equipment there is to offer for a wide range of diving needs!

Stop in and just take a tour! We all love our new facility and we’re sure you will too! From our large showroom floor, our clean and warm pool area complete with showers and changing rooms, the classrooms, the travel department, the surface interval lounge, our compressor room and fill station to the Instructors Office and fitting rooms!
